A Thank You (or Two!)

Kids Cup Overflows

By Drew Chapman, Senior, Ridgefield High School and FCA Intern

Monday, May 5, 2014 members of the surrounding community joined together on the sunny Richter Golf Course for the annual Kids Cup, a charity golf tournament supporting Family & Children's Aid of Danbury.

Family & Children's Aid, a non-profit organization dedicated help support and heal Connecticut's children, adolescents and their families, provides high quality mental health and rehabilitation services. Supporting this principle, citizens of the greater Danbury area played a competitive but fun-filled game of golf. They also took part in numerous activities, on and off the course. Following a four-person, scramble-style game of golf, the top three teams were awarded a prize, and the top finisher, a trophy. At the fifth hole, a par-three split by a lake, golfers could participate in a hole-in-one challenge. The prize, were anyone to drive the ball 170 yards to the green, was a brand new Cadillac, courtesy of Blasius Chevrolet Cadillac in Waterbury. Unfortunately, no golfer made it within ten yards of the hole, but not a single frown was shed, as the fun only continued there on.

With smiles and slight sunburns, the golfers returned to the clubhouse for a reception and dinner. Festivities included a raffle and a silent auction with premium prizes. At the conclusion of the night, golfers returned to their homes with full hearts and stomachs, the event was an ultimate success, as the future of family health services continues to remain bright as a result. Way to Go Exchange Club!

A Special Thank You To...

FCA board member Michele Martin, Senior Vice President of Marketing at Union Savings Bank, for a great job manning the registration and raffle table at the Kids Cup golf tournament!

You're the best Michele!
