A BETTER CHOICE

Adolescent Outpatient
Substance Abuse Program

To help teenagers learn to believe in themselves, to find meaning, and to recognize there is hope and a future; these are the fundamentals for making 'A Better Choice' toward changing the course and outcome of their lives.

For Parents

Have you seen some sudden changes in your child? Change in:

- Attitude
- Behavior
- Friends
- Drop in grades
- Skipping school
- Spending less time with family

A Better Choice will help adolescents understand the consequences of their current and past choices and to create a successful future for themselves.

Then Take The First Step and help your child make A Better Choice!

For Families

Family involvement is a crucial component of treatment. Family participation includes family therapy sessions, parent support groups and monthly, jointfamily Life is Good Playmaker[™] groups to promote positive family communication and interaction.

For Teens

Do you feel like your life is under control, but you:

- Find yourself lying to cover things up?
- End up using more than you intended?
- Have blackouts?
- Think nobody understands you?
- Have trouble sleeping?
- Feel alone?
- Feel like crying?
- Feel trapped?

Then Take The First Step and help yourself make **A Better Choice!**

A Better Choice Adolescent Outpatient Substance Abuse Program at Family & Children's Aid aims to give youth and teens the skills and knowledge to make A Better Choice for themselves

Better Choice

Outpatient Substance Abuse program is committed to providing treatment to a diverse group of adolescents and their families to improve their ability to function and lead healthy productive lives in our community. Professional services are rendered by a multi-disciplinary, multi-lingual, master's level clinical team, licensed therapists and licensed alcohol and drug abuse clinicians.

We offer a holistic, innovative, community-based outpatient program that provides comprehensive and integrated treatment approaches with the philosophy of creating an individually tailored treatment plan addressing all aspects of a teen's life—healthy body, mind and spirit in a safe and secure environment.

Some of the treatment approaches we offer are:

Individual Psychotherapy

Family Psychotherapy

Group Psychotherapy **Psychiatric Evaluations**

Life is Good Playmaker[™] Therapy

Parent Support Groups

- **Expressive Therapies**
- Referral Services
- Pharmacological Treatment

Take the First Step!

Initial Intake

A mental health assessment will be conducted during the initial intake.

Substance Abuse Assessment

A deeper assessment with a licensed substance abuse counselor will determine the level of care needed by the adolescent.

Treatment Plan

Developed by the family and an addiction specialist to best address the needs and goals of the client and their family.

Prevention and Education Services

A Better Choice recognizes that delaying the age of first use of alcohol and drugs is a critical component of prevention. Our team of professionals is committed to having an active role in preventative efforts in the lives of youths and families in our community.
