

HOW CAN YOU HELP?

Family & Children's Aid is always in need of items for the thousands of children we serve. Year-round drives are essential in collecting items for our Harmony Station rewards program and general needs of children who have been abused, neglected or traumatized.

COORDINATE A DRIVE AND HELP KIDS IN NEED!

- **New and Pre-owned Books**

Books are given out in our waiting room and in our "Newsstand" book shop as part of our Harmony Station subway Rewards Incentives

- **Sporting Goods**

To get kids outside and moving. Soccer balls are in high demand!

- **Board Games and Puzzles (new)**

To promote positive family interaction and communication.

- **Arts & Crafts Supplies**

To help encourage creativity and offer an expressive outlet.

- **Gift Cards for Groceries or Clothes**

Over 90% of the families we serve are below poverty level. Basic needs like groceries and clothes are a top request.

- **New Toys**

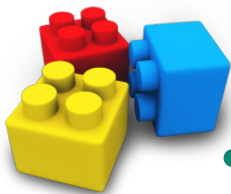

Birthdays or as a reward for achieving a therapeutic milestone.

- **Items for Teens**

Many donations we receive are geared at a younger age child, but we see many teens and adolescents!

- **New and Pre-owned Legos**

Used as a therapeutic tool and an incentive (kids can keep what they build!)
