

HELLO!

I am a **VIRUS**,
cousins with the Flu and
the Common Cold

My name is Coronavirus

**I am going to explain
myself...**

So you can understand...

I love to travel...

**and to jump
from hand to
hand to say Hi**

**HIGH
FIVE**

When I come to visit, I bring...

Difficulty breathing

Fever

Cough

**But I don't stay with
people for long, and almost
everyone gets better**

**Just like when you get a
scrape on you
knee and it heals**

BYE BYE...

Sometimes adults get
worried when they read
the news or see me on TV

THAT'S
ME!

Dont you worry!

The adults who take care of you:

will keep you safe

And you can help...

1

**By washing your hands
with soap and water
while singing a song**

**You can sing your favorite song,
the happy birthday song, or the
alphabet song**

2

**By using hand sanitizer
and letting it dry on
your hands**

Without moving them count to 10

1, 2, 3, 4, 5, 6, 7, 8, 9, 10

**Once your hands are dry you can get
back to playing!!**

**If you do all that
I will not come to visit**

**while the doctors work to find a vaccine
that will allow me to say hi
without getting you sick.**

THE END
